#### **What 3 business tips can you share with others?**

- Never stop learning. The art of learning is the art of living.
- You reap what you sow so be involved. Be a mentor in business and find a way to pay it forward or give back to your community.

- In business as in life, your integrity is EVERYTHING. Never compromise your integrity.

**What benefit(s) have you gained from being a member of NAIOP?**

I have learned more about the commercial side of my industry and met many important contacts since I first joined. NAIOP of Northwest Florida also provides opportunities for me to give back to my industry and my community through work with legislature on matters affecting our industry.
