### **Do you have any hobbies?**

Saltwater fishing, hunting, and encompassing ALL activities.

### **What are you passionate about?**

Raising my two little girls in a family and faith-oriented environment and being the best possible husband to my beautiful wife!

### **What is your dream vacation spot?**

Put me on a boat, off the coast of a tropical island anywhere in the world where the billfish are biting and I'll be fat and happy!

### **What 3 business tips can you share with others?**

- The old saying of, "Treat others as you wish to be treated".
- Set your goals high! If you stumble along the way, don't be afraid to ask for help.
- Don't fall into the category of "Live to work", but rather "Work to live". Enjoy life!

**What are some achievement in your career that you would like to highlight?**

I have now been in the Commercial Real Estate industry for 10 years and survival during our version of a "recession" was key! To have the perspective when I first started my career while real estate was booming, then to take a drastic downfall and hold on to your pants, and now to be back on the rise has taught and shown me more than I expected when I came out of college as a "green horn".

**Biography:**

Logan joined the NAI Halford team in June of 2005 after completing his Bachelor of Science in Finance and Real Estate, at Florida State University. He continued his education earning his brokers associates license within the first year of joining NAI Halford. Logan's specialties include office, retail and industrial sales and leasing. He leases and manages approximately 650,000 sf of office/retail space on an annual basis with his colleague, Kimi Smith. Logan is a graduate of the 2011 Leadership Pensacola class.
